Hi Teddy friends,
we are delighted that you are here to discover Teddy-Town.
Teddy-Town is a small town full of Teddies for Teddy friends, young or old.
Teddy-Town is a free browsergame.
There is a possibility to become a premium member to further your possibilities in the game.
But the premium account is not necessary to play the game.

Hi, my name is Charly and I'm very sad because I'm looking for a new home.
I actually feel like quite a lot of other Teddies around here. Do you want to be my new family ?

I promise to be a good Teddy at all times !

If you adopt me, there are just a few little tasks for you.

I have to learn quite a bit, need a room to play,
a bed where I can sleep in, some food, something to drink and a couple of other things.

I promise to be faithful as long as you treat me right.

Later on, when I'm older, I'll go to work for you.

If you buy me a few toys from the coins I've earned,
I'll be the happiest Teddy ever.

So... do you want me to be a happy Teddy ?

Me and my Teddy friends are so looking forward to see you here.....
